Mobile Bone & Joint Clinic with X-ray Facility

Dear Esteemed Supporters of Sarvejana Foundation,

We are thrilled to announce a significant milestone in our ongoing mission to provide accessible healthcare to underserved populations. Thanks to the generous support of the Rotary Club, we have procured a dedicated mobile clinic for orthopaedic screening, complete with state-of-the-art X-ray facilities, doctor consultations and physiotherapy services. This mobile unit is specifically designed to reach remote villages lacking these essential amenities, thereby improving mobility and healthcare accessibility for those in need.

Under the esteemed guidance of Dr. Gurava Reddy, our foundation continues to offer free joint replacements, empowering individuals to lead more fulfilling lives. With the addition of this comprehensive mobile service, we can now extend our outreach to even more communities in need.

We extend our heartfelt gratitude to Rotary International Districts 3150 and 7870 in India and the USA, as well as the Rotary Foundation PDG Dr. Ravi Vadlamani, Mrs. & Rtn. Dayanand Gauri, for their unwavering support.

Thank you for your continued belief in our cause and your invaluable contributions towards making healthcare accessible to all.

Bone & Joint Camps

Empowering Communities Through Accessible Healthcare

In our relentless pursuit of transforming lives through accessible healthcare, we have recently honed our focus on orthopaedic screenings and physiotherapy advice, particularly in underserved areas. This endeavour has been made possible through our fruitful collaboration with the esteemed Nirmaan Organisation, a registered NGO with a remarkable track record spanning over 18 years and impacting the lives of over 2.5 million beneficiaries.

Our journey towards accessible healthcare for all is far from over, but with each successful health camp and every empowered individual, we move closer to our shared vision of a healthier, more equitable world.

Together, with the support of organizations like Nirmaan and the dedication of our team, we are truly making a difference in the lives of those who need it most.

Nirmaan's global presence, spanning across the USA, UK, Australia, Singapore, and UAE, underscores their commitment to extending healthcare access to all corners of the world. Together, we share the common goal of creating a better world for all and our partnership has been instrumental in reaching individuals in urban slums and rural areas with targeted health camps.

Through our collaborative efforts, we are not only providing immediate assistance to those in need but also laying the groundwork for sustainable healthcare solutions in the long term. By fostering community engagement and leveraging resources effectively, we are making significant strides towards building healthier and more resilient communities.

Patient Testimonials

Overflowing with gratitude, we extend our deepest appreciation to our donors, whose unwavering support is the driving force behind our impactful initiatives.

I am Vengal Reddy from Nellore District and I wish to express my heartfelt gratitude to Sarvejana Foundation for the life-changing support I received. Following my recent operation, I am now able to actively work and manage my one-acre farm. Your generosity and commitment have truly transformed my life.

I'm Mahaboob, 25, from Nizamabad, studying MLT. Since childhood, hip issues plagued me due to accidents. Thanks to Sarvejana Foundation, I received a hip replacement surgery. Now, I walk confidently and my friends and teachers notice the difference.

I'm K. Ellamma from Nalgonda district. For 15 years, unbearable knee pain limited my mobility, making even simple tasks challenging. Thanks to Sarvejana Foundation's Free Knee Replacement program, I can now walk freely and independently. I'm back to taking care of my household and supporting my son and grandsons. Heartfelt thanks to Sarvejana Foundation for this life-changing support.

I'm Uppu Parvatamma, from Mahaboob Nagar and I want to express my deep gratitude. Thanks to your support, the Sarvejana Foundation provided me with life-changing knee replacement surgeries. Today, I'm pain-free and managing our Kiranam shop. Your kindness transformed my life, giving me hope during challenging times.

SOAR 2024

1st Sunshine Operative Arthroplasty Course for Revision & Complex Primary Hips & Knees

Under the aegis of

Sarvejana Foundation recently organised its inaugural Sunshine Operative Arthroplasty Course (SOAR), focusing on Revision & Complex Primary Hips & Knees. The event brought together 300 accomplished orthopaedic doctors and 30 distinguished faculty members from various parts of India. The conference served as a platform for enriching experiences in arthroplasty knowledge-sharing.

The SOAR conference featured 10 live surgeries and insightful panel discussions on joint replacement techniques, providing attendees with valuable insights and practical knowledge. The event showcased the latest advancements in the field and fostered collaboration among experts.

As part of its ongoing commitment to education and training in orthopaedic surgery, Sarvejana Foundation announced a notable initiative during the conference. Starting in March 2024, the foundation will introduce a free-of-cost Observer ship program at the Sunshine Bone & Joint Institute in Hyderabad. This program offers young surgeons a month-long opportunity to observe and learn from renowned experts in the field of arthroplasty.

The Observer ship at Sunshine Bone & Joint Institute aims to provide aspiring orthopaedic surgeons with hands-on experience and exposure to advanced surgical techniques. By facilitating mentorship and knowledge exchange, Sarvejana Foundation seeks to empower the next generation of orthopaedic specialists and contribute to the advancement of patient care in India.

LIVE Surgery

First Responder Workshops

We are delighted to share a significant achievement with our supporters: the completion of 50 First Responder Workshops! This milestone has been made possible by your unwavering support and dedication to our mission.

Throughout these workshops, we have had the privilege of training over 1900 participants, including police personnel, students and members of the community. Our focus has been on imparting essential life-saving skills, ranging from trauma management to emergency response and patient transport.

These workshops have not only equipped individuals with vital knowledge but have also fostered a sense of empowerment within the community. Participants have gained confidence in their ability to respond effectively to emergencies, making our neighbourhoods safer and more resilient.

We extend our heartfelt gratitude to all our supporters who have made this achievement possible. Your generosity has enabled us to make a tangible difference in the lives of countless individuals and communities.

As we celebrate this milestone, we reaffirm our commitment to continuing this important work. Together, we can empower even more individuals with the skills and knowledge needed to save lives and build stronger, healthier communities. Thank you for being a part of our journey towards a safer future.

Thanking our Donors

*We make a living by what we get.
We make a life by what we give.*

- Winston Churchill

*We thank from the bottom
of our heart all these
donors, who gave selflessly.*
